

From the airport, stay in the middle lane and follow the sign to merge left onto Interstate 80 East; the sign reads "City Center/Ogden/Provo". Stay on I-80 East for approximately 3 miles; it will then merge with I-15 South for 2 miles. Take Exit #304, "I-80 East Cheyenne" off I-15 (this is a right lane exit).

After approximately 4 miles, exit to the left to continue up I-80 East (staying to the right takes you onto I-215 South). You will see mileage signs for Park City, Cheyenne and Denver as you proceed up the canyon into the mountains. After about 15 miles, take the Park City Exit (#145, the sign reads "Hwy 224 South/Kimball Junction/Park City"). Turn right off the exit onto Hwy 224 and then proceed all the way into Park City, about 6 miles.

Go through the stoplight at Kearns Blvd. (you will see the Yarrow Hotel on the left at that corner). Highway 224 is also known as Park Avenue at this point; proceed 2 blocks up Park Avenue and turn left at the Burger King onto Iron Horse Drive.

Alpine Ski Properties is located in the second building on the right, at 875 Iron Horse Drive (Suite D), just between 'Columbia Paint' and 'Knead a Massage'.
